

## **Pipeline Version, within 0 – 3 months**

**August 2010**

---

### **Irish Life**

Including Irish Life to the list of integration, similar to what we have with Storebrand, Vital and Skandia.

*Estimated to September 2010*

### **Performance Fee**

We have started to build a brand new commission module based on the performance fee structure. This will include high watermark, benchmark index, separate calculation per client and full advisor follow up calculation. This will be a part of the commission system.

*Estimated to October 2010*

### **Commission for the Swedish market**

As an extension of the performance fee module we will include a set of separate calculation for the Swedish market.

We will include download of commissions statement from SEB Trygg Liv, Länsförsäkringar, Skandia Link, CGU Life, Folksam, SPP .

This will simplify the commission follow up for advisors.

*Estimated to October 2010*
