FinanceCube to be reintroduced in the Swedish market

Mina Fonder.se, (MyFunds.se) is one of the largest web platforms for buy/sell/redemption of mutual funds and unit trusts in Sweden. They have a large number of funds on their platform most of them Swedish funds. They also include Norwegian funds like Skagen and Odin and international funds like Fidelity, Gartmore, Henderson and Morgan Stanley .

More information on www.minafonder.se

FinanceCube have signed an agreement this summer to bundle with MinaFonder for the Swedish market. "This will generate a new income stream for us and give us a interesting part of the Swedish market", says Lasse Meholm, managing director of FinanceCube. He continues "We will integrate our two platforms and start the promoting campaign early September".

Mina Fonder focus on the Financial Advisor market in Sweden and is a perfect fit for FinanceCube.
