FinanceCube signs new contract with Goteborg (Sweden) based Financial Adviser.

Jool Capital Partner AB, is a newly founded Goteborg (Sweden) based Independent Financial Adviser with clients focus in south part of Sweden. Their plan is to be a major player in the Swedish market for pension planning and financial advice. Their penetration strategy is very interesting and much depending on FinanceCube technology.

They will build a network of companies in Sweden and cooperate with major investment providers in Europe.

Jool will also provide family office services and support.

<http://www.joolcapital.se/>

FinanceCube will provide our market leading technology AdvisorCube in this project. On top we will develop integration with even more of European leading providers like Victory Life, Friend Provident and others.

All advisers at Jool will have their own customer base on our platform. Hundreds of financial advisors, in Jool's network, all with the ability to login via web and keep control of their clients holding and portfolios.
