## New York Office

---

We have a new office in New York.

We have a new company under registration, FinanceCube Inc. Our plan is to start sales and support activity based in this office late 2006 / early 2007.

The office is located in the financial district and short distance from the "New York Stock Exchange" and "American Exchange".

### Address:

FinanceCube  
67 Wall Street, 22<sup>nd</sup> Floor  
Suite 2211  
New York, NY 10005-3111

Telephone: +1 212 709 8065

---

**FinanceCube** is created to serve the needs of financial advisers, discretionary asset managers and private banking. FinanceCube provides a unique portfolio management service across asset classes, currency types, time zones and regions. FinanceCube enables advisers to manage client portfolio effectively at an affordable cost.

FinanceCube has developed innovative new web based software, host the internet server and connected the server to the financial marketplace and key providers like Morningstar, Financial Times Interactive Data and many more.

Easy and totally secure.
