FinanceCube signs new TransactionCube contract with global provider ProCorp.

ProCorp, is a Oslo based provider of collective investment schemes including property and private equity.

<http://www.pre-management.com>

Pre Management is fully own by ProCorp.

Pre management administrates and runs a number of schemes for investment in Property in Germany and private equity in China. They can also set up private brand for a company for investments for their clients.

Pre Management will start using our new technology called TransactionCube.

“We are delighted to sign with a new customer for the new and highly competitive technology” says Lasse Meholm, CEO of FinanceCube.
